CROSSINGS

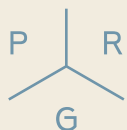

MAY 5 - 26, 2022

Artist Meet & Greet: Saturday, May 7, 12 - 2 pm

Crossing, oil on panel, 60 x 60 in.

This emotional and passionate body of work, created in loving dedication to Maruska's late father, took the artist on a healing journey, offering him a place to escape and to find himself. For Maruska, abstraction speaks many languages, where a color may whisper a childhood memory, a mark may trace the line of a familiar melody or rhythm, or a shape may drift into a suggested landscape. This collection gives the viewer and the artist alike the freedom to explore memory and mind, crossing from one reality to another.
